

# Planning Intelligence: Charting a Course for Continuous Improvement

# Meta Assessment

**1** Are there any gaps in your reporting expectations as they align to the Plan - Do - Check - Act assessment cycle?  
How do you plan to address those gaps?

---

---

---

---

---

**2** Take a look at your timelines and expectations at each phase of the assessment cycle. How do they compare?  
Do you see any opportunities to make adjustments?

---

---

---

---

---

**3** What structure of support do you have in place to bolster assessment processes at each phase of the cycle, and within each level of your organizational chart?

---

---

---
